Welcome to the future of distribution. See what Recurrency can do for you. Contact sales at sales@recurrency.com or request a [demo](#).

The screenshot displays the Recurrency software interface. The top navigation bar includes 'Seller Coop', 'Opportunities', 'Draft Quotes', 'Quotes', and 'Orders'. The 'Reporting' section shows Sales YTD, Sales LTID, Sales, GM YTD, GM LTID, and GM. It lists items like 'N95 MASKS 64+MSK 200# 25/1350' with a quantity of 50 and a price of \$1.20. The 'Order Management' section shows a 'New Order' for 'N95 MASKS' with a quantity of 50 and a price of \$1.20. The 'Opportunity of the Week' section lists opportunities for 'Temper' (Los Angeles, CA), 'Berkshire Valley' (Napa, CA), 'OH Rock' (Houston, TX), 'Berk' (San Marcos, CA), and 'Meeting Results' (Austin, TX). The 'ALL LOCATIONS' section shows availability for locations like Seattle, Portland, and Tacoma. The 'Availability' section lists items like 'DZ Gloves HD Cotton' and 'PR Coated Nitrile Gloves' with their respective availability and match percentages.

Recurrency Solutions

The best distribution sales teams operate using Recurrency

Inside Sales

Automated Upsells

Identify upsell opportunities on inbound orders based on historical order history and purchasing behavior from customers.

Fast Quote-to-Cash Workflows

Streamline quote, order, and invoice creation while using the "Insights Panel" to glean customer-specific information.

Proactive Reorder Recommendations

Minimize lost sales by recommending items ordered on a regular or seasonal basis.

Field Sales

Unlimited Access

Never lose a sale again with zero license fees and mobile accessibility. Equip your entire team with Recurrency, available on any smart device.

Seamless Remote Quote Entry

Easily create and submit quotes on the go in Recurrency with full end-to-end functionality.

Efficient Task Management & Reporting

Set automatic task reminders and track high-impact sales actions and tasks in real-time. Review previous sales history and make decisions quickly.

Front Counter

Accelerate the Checkout Process

Reduce the quote-to-order timeline to less than 60 seconds with fast and intuitive workflows.

Delight Your Customers

Deliver exceptional customer service when creating quotes and orders by referencing the "Sales Insights" panel to extract relevant information.

Ditch Your Cheat Sheets

Locate vendors, item numbers, quotes, orders, and tasks up to 185 times faster with Recurrency Global Search.

Customer Service Representatives

Avoid Duplicate Account Creation

Keep your customer pipeline clean and accurate with automatic prospect deduplication.

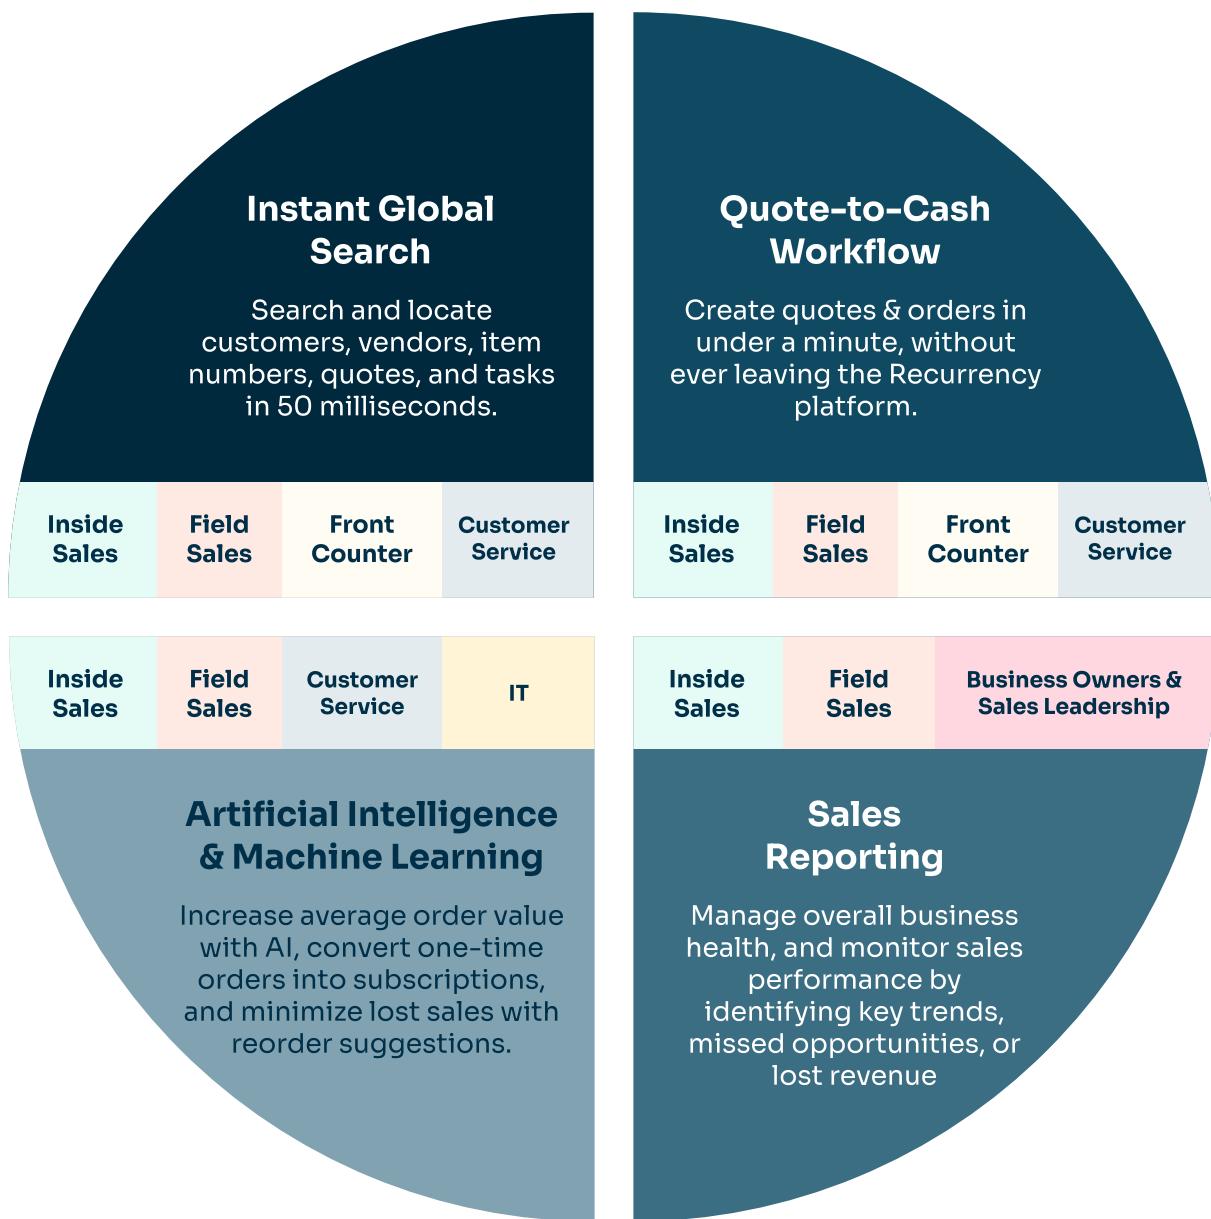

Save Time

Save up to 5 hours per week with Recurrency streamlined quote-to-cash workflows and data-driven insights produced by ML and AI automation.

Modernize Employee Onboarding

Get up and running in one day. Once live, Recurrency onboards your staff. Grant instant access to new members at any time.

Recurrency Products & Tools for Inside Sales

Recurrency customers grow revenue **12-23+%** with the power of automation & machine learning:

“ Integrating Recurrency was the **easiest IT project we've encountered in 25+ years** in business. I would have never imagined that an ERP integration could take only ten minutes. ”

—Director of IT

“ I booked almost **\$20,000 of easy revenue** in just a few minutes thanks to your reorder prediction. That's a great way to start the day! ”

— Sales Representative
